

REMARKS

Claims 13-23 have been allowed as indicated in the Notice of Allowance mailed October 30, 2009.

Applicants thank the Examiner for allowing the claims, and respectfully request the opportunity to correct two typographical errors in the claims prior to issuance. More specifically, Applicants have amended claim 13 to recite "determining, for said RADIUS access request...", to replace the previously recited "determining, for a RADIUS access request...." Claim 15 has been amended to recite "The method according to claim 14...." to replace the previously recited "Method according to claim 14...."

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,
